WHAT IS DRACULA'S?

We often get asked: "What is Dracula's?" To be blunt, we can't tell you what Dracula's is. You need to see it. Touch it. Taste it.

If we attempt to describe the experience - Dracula's is an adult's playground. Interact with the residents of our multi-level mansion. Ride the ghost train into our nightclub-styled bar. Dine on a quality three-course meal, carefully sourced from local, seasonal Australian produce. Sip cocktails from blood bags and settle down for the main event: our world-renowned, three-part live variety show.

Featuring aerial acrobatics, live musicians, jaw-dropping costumes, bible-clutching comedy, and Dracula's signature blacklight puppets, our productions never fail to get the blood pumping.

So, what is Dracula's? Dracula's is the Gold Coast's ultimate nightlife entertainment experience.
